COLLEGE PRAYERS FOR THE WEEK

Morning Prayer	Evening Prayer	Weekly Prayer
<p>Lord, teach me to be generous: to serve you as you deserve; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek to rest; to labour and to ask for any reward save that of knowing I do your will. Amen</p>	<p>May the Lord support us all the day long, till the shadows lengthen, and the evening comes, and the busy world is hushed, and the fever of life is over, and our work is done. Then, in his mercy, may he give us a safe lodging, a holy rest, and peace at last. Amen</p>	<p>God our Father, as we draw near to the end of this school year, we thank you for all the opportunities and blessings; for all the tough days and good days; for all the teaching and learning. Watch over us all during the summer holiday, and fill us with your joy and grace. We ask this prayer through Jesus Christ our Lord. Amen.</p>

The Women's Cricket World Cup is the oldest and most prestigious international women's cricket tournament. It occurs once every four years and has been held since 1973. This year was the first time in 24 years that the event has been held in England, with events in Taunton, Bristol, Leicester and Derby. Our very own Miss Brough was this year selected as a scorer for this prestigious event for 4 of the matches, the last of which will be the semi-final event held in Derby on Thursday 20th July. Miss Brough was selected for this event after being involved in cricket for 27 years as a player, a coach and a scorer and describes herself as excited, nervous and honoured at the invitation. Throughout the history of the World Cup, whenever the event has been held in England, England has been victorious, and we at Cardinal Griffin Catholic College wish the England Women's team the best of luck for this year's competition.

### PUBLISHED PERFORMANCE TABLES

The Department of Education has recently published the validated data Performance Tables for schools and colleges for the year 2015 – 2016. I have included the outcomes of the performance tables. Performance tables need to be treated with a great deal of care as they really do not tell the full picture of a school or college. They provide a snap shot of a set of examination results from the previous year.

However if all the result are taken in the round a more accurate picture can be drawn. Cardinal Griffin Catholic College continues to perform well against the schools and colleges in the locality, however we can always do better.
